Introduction

The Candidate Information Bulletin (CIB) is intended to help you to prepare and to understand the processes and procedures for applying for licensure and for scheduling your examination(s). The Virginia Board for Barbers and Cosmetology (the “Board”) is responsible for licensing and regulating the profession of Esthetics in the Commonwealth of Virginia. The Board has contracted with Professional Credential Services (“PCS”) to provide administrative examination services. The Board, through PCS, will exclusively use the National-Interstate Council of State Boards of Cosmetology (“NIC”) examinations. PCS first requires that candidates create an account and then submit an online Examination and License Application (“Application”). This is required to determine your eligibility for testing. Any questions regarding your application or eligibility should be directed to PCS. The Board will have the final authority to approve the issuance of a license.

State Licensure Requirements

In order to receive an Esthetician license in the Commonwealth of Virginia, you must pass both a NIC Theory and Practical examination within one year of the date of your first examination. You must also meet ONE of the following requirements:

1. Completion of an approved esthetics technician training program in a Virginia licensed esthetics school. Required Documentation: Completed Training and Experience Verification Form, which you can download from PCS’ website, complete as directed and upload to your PCS account.

2. Successful completion of 600 hours of esthetician training which is substantially equivalent to the Virginia program that is obtained outside of the Commonwealth of Virginia. Required Documentation: Upload to your PCS account your diploma, official school transcript or written verification from the Licensing Board in the State where the 600 hours were received, any of which should indicate that you successfully completed 600 hours of instruction.

3. Completion of a substantially equivalent esthetician course (consisting of less than 600 hours of training) and six months of esthetician work experience. Both training and experience must be obtained outside the Commonwealth of Virginia. Required Documentation: Upload to your PCS account your certificate, diploma or other documentation verifying successful completion of the esthetic course AND a completed Training and Experience Verification Form documenting at least six months of esthetician work experience, which you can download from PCS’ website and complete as directed.

4. Completion of the Virginia apprenticeship program in esthetics. Required Documentation: A completed Department of Labor and Industry Form available from your apprenticeship representative. The original form must be mailed directly to PCS. Copies will not be accepted.

5. Applying to take the Esthetician Instructor examination. Required Info: Please be prepared to enter your VA Esthetic License # and Expiration Date on your Examination and License application. In addition to holding the appropriate Virginia practitioner license, instructor applicants are required to complete an instructor-training course approved by the Virginia Board for Barbers and Cosmetology under the supervision of a licensed esthetics or master
esthetics instructor in an esthetics school. Required Documentation: Completed Training and Experience Verification Form, and transcripts and/or diploma.

6. Previously licensed in Virginia by examination and past the reinstatement period (two years or more since your previous license expired). Required Documentation: PCS will obtain Verification from the Virginia Board for Barbers and Cosmetology.

Application Requirements
Once an online registration has been completed with PCS, the following items must be uploaded to your account with PCS:

1. A current 2” x 2” passport color photo taken within the last six months to reflect your current appearance. It must be sized so that your head is approximately 1 inch from the bottom of the chin to the top of the head. It must be taken in front of a plain, white background and be a full-face view, directly facing the camera with a neutral facial expression. Selfies are not accepted. If these requirements are not met, you will receive notification that you need to submit a new photo and your application will remain incomplete until the photo meets the requirements.

2. Examination Agreement Form: Please select a practical location and sign the Informed Consent and Waiver Agreement section. Once completed, please upload this Agreement to your account. This form can be found under Virginia’s Forms section online at www.pcsghq.com.

*Individuals with criminal convictions as an adult are required to submit a Virginia State Police Criminal History Report and a criminal conviction reporting form (which you can download from the forms section on PCS’ website). The report must include all pages (including the cover sheet) and contain a red stamp. The report may be uploaded to your PCS account if it is in color, to depict the red stamp. Photos of documents will not be accepted.

⚠️ If you are not approved because of an incomplete application, discrepancies, missing documentation, including signatures, you will be contacted by PCS and your application will be pending until you make the necessary and requested corrections. If you mail any documentation separate and apart from the application to PCS at the address located on page 3 of this Candidate Information Bulletin (CIB), please also make note of this on your home page within your PCS account.

⚠️ Should any document listed above be under a different name than the name provided on your application, legal documentation of name change (i.e. marriage certificate, divorce decree, petition for name change) may be uploaded to your PCS account.
