Introduction

The Candidate Information Bulletin (CIB) is intended to help you to prepare and to understand the processes and procedures for applying for licensure and for scheduling your examination(s). The Virginia Board for Barbers and Cosmetology (the “Board”) is responsible for licensing and regulating the profession of cosmetology in the Commonwealth of Virginia. The Board has contracted with Professional Credential Services (“PCS”) to provide administrative examination services. The Board, through PCS, will exclusively use the National-Interstate Council of State Boards of Cosmetology (“NIC”) examinations. PCS first requires that candidates create an account and then submit an online Examination and License Application (“Application”). This is required to determine your eligibility for testing. Any questions regarding your application or eligibility should be directed to PCS. The Board will have the final authority to approve the issuance of a license.

State Licensure Requirements

In order to receive a Cosmetology license in the Commonwealth of Virginia, you must pass both a NIC Theory and Practical examination within one year of the date of your first examination. You must also meet ONE of the following requirements:

1. Completion of an approved cosmetology training program in a Virginia licensed cosmetology school or a Virginia public school cosmetology program approved by the Virginia Department of Education. **Required Documentation:** Completed Training and Experience Verification Form, which you can download from PCS’ website, complete as directed and upload to your PCS account.

2. Successful completion of 1500 hours of cosmetology training which is substantially equivalent to the Virginia program that is obtained outside of the Commonwealth of Virginia, but within the United States and its territories. **Required Documentation:** Upload to your PCS account your diploma, official school transcript or written verification from the Licensing Board in the State where the 1500 hours were received, any of which should indicate that you successfully completed 1500 hours of instruction.

3. Completion of a substantially equivalent cosmetology course (consisting of less than 1500 hours of training) and six months of cosmetology work experience. Both training and experience must be obtained outside the Commonwealth of Virginia, but within the United States and its territories. **Required Documentation:** Upload to your PCS account your certificate, diploma or other documentation verifying successful completion of the cosmetology course AND a completed Training and Experience Verification Form, which you can download from PCS’ website and complete as directed.

4. Completion of the Virginia apprenticeship program in cosmetology. **Required Documentation:** A completed Department of Labor and Industry Form available from your apprenticeship representative. The form may be uploaded to your PCS account if it is in color, to depict the red stamp. Copies will not be accepted.
5. Virginia licensed master barber with two years of work experience. **Required Info:** Please be prepared to enter your VA Master Barber License # and Expiration Date on your Examination and License application. **Required Documentation:** Completed Training and Experience Verification Form, which you can download from PCS’ website, complete as directed and upload to your PCS account.

Suspected security breaches during either the theory or practical test administrations, such as an act of impersonation, creating a disturbance, giving or receiving unauthorized information or aiding other candidates, attempting to remove test information by any means, possessing prohibited materials or sharing supplies may be sufficient cause to dismiss you from the examination site or to invalidate or cancel your scores. Suspected breaches may be identified by observation or suspicion by the test center staff, or may be evidenced by subsequent statistical analysis of examination materials. PCS reserves the right to investigate each incident of misconduct and your actions will be reported directly to the Board and to NIC. The Board will make all final decisions on examination score invalidations or cancellations.

No visitors, guests or children are allowed in the test center.

All test questions are the express copyrighted property of NIC. It is forbidden under federal copyright law to copy, reproduce, record, distribute or display these test questions by any means, in whole or in part. An *official* score notice will be emailed to you at least 10 business days after your examination date. *An unofficial pass or fail notice will be provided to you by Prometric after you take the theory examination.* If you do not receive your score within this time frame, you may print a score notice by logging into your PCS account.

**State Score Requirements**

The minimum score required to pass both the theory and practical examination is 75. If you fail an examination, PCS will provide a strengths and weakness report (located at bottom of score notice) and information on how to re-apply online. Once you pass both the theory and practical examination, you will receive a *Notice of Completion*, and a *Licensure Fee Notice*, which will need to be submitted to the DPOR prior to your license being issued.

**State Score Requirements**

Once all required examinations have been passed, a final review of your application will be performed in order to ensure that all eligibility documents are complete before your materials are sent to the Virginia Department of Professional and Occupational Regulation (DPOR) for the issuance of your license.

In Virginia, you must take and pass both the theory and practical examinations within one year of the date of your first scheduled examination. Failure to accomplish this will result in your having to start over as a first-time candidate.
